

## Elina's Vendors

## About

Elina Engineering is an over 30 years well established technical distribution company offering complete technical and commercial support from R&D stage to full production stage.

As a leading and friendly organization, we look forward to working closely with you to optimize your design by offering you the best price/performance products.

Where RF, Power & Embedded Meet Innovation

ELINA-Oct25

## SEMICONDUCTORS

### Skyworks

- Timing-Including IEEE 1588
- Audio, TV & Video
- Modem & Voice
- Isolators, PoE

### 3PEAK

- General & Precision ADC/DAC
- Zero-drift OPA, Instrumentation Amp
- DC-DC Converters, LDO
- Analog switches, Watchdog/Reset
- Power sequencer, Battery management

### Silicon Labs

- IoT- Wireless Connectivity
- MCU's - SOC & Modules
- Bluetooth, Zigbee, Thread
- Proprietary, Wi-Fi, Z-Wave, MultiXpress
- Wi-Fi 6, BLE

### Etron

- Memory IC's: DRAM
- Automotive/Industrial, SPI NAND, Systems IC's: Host & Flash Controllers, D3FS

## RF/MICROWAVE

### Narda Miteq

- Amplifiers, Attenuators, Converters, Mixers, PIN Diodes
- Waveguide SATCOM Products, Custom Solutions

### MPG

#### K&L, Dow-Key, PoleZero, Criteria Labs

- RF & Microwave Filters, Duplexers & Sub-Assemblies
- Switch Filter Bank, Multiplexer Custom Integration

### TXC corp

- Crystals, OCXO
- TCXO, XO
- Oscillators, VCXO

### Meig Smart

- 5G Modules, 4G LTE Modules, Automotive Modules, NB-IoT & Cat M Modules
- GNSS Modules

### Septentrio

- GNSS receivers
- GNSS & INS receivers
- Antenna & Smart Antenna
- Boards & Boxes

### Coilcraft

- RF Magnetics-Chip
- Inductors/RF Transformers
- RFID and NFC Transponder Coils
- CPS - Critical Products & Services for Space and Mission Applications

### Skyworks

- Attenuators, Switches, Couplers, Front - End Modules (5G/LTE/Cellular IoT, M2M, Wi-Fi)
- Amplifiers, RF Modules, Optocouplers, RF Switches
- BAW filters

### Knowles

#### Syfer, Novacap, DLI, Compex, Cornell Dubilier/CDE, IMC

- Ceramic High Voltage/High Frequency Caps
- Capacitors, EMI/RFI Filters

### Impulse

- Waveguide and Coax Components
- Custom RF assembly
- RF Amplifiers

### Anteral

- Antennas & Passive Solutions
- Frequencies from C band to THz
- For Aerospace & Defense

## POWER

### Coilcraft

- Power Inductors, Power Transformers
- PoE/Planar Magnetics, EMI Filters
- CPS - Critical Products & Services for Space and Mission Applications

### Flex Power Modules (EX ERICSSON)

- Isolated/non-Isolated DC/DC Converters (Analog & Digital)
- Point of Load (PoL), Direct Conversion Power Interface Modules (PIM)

### VARTA

- Li-Ion
- Assembly-Customized Configurations, Lithium battery packs, Energy Storage, Button Cells, Nickel-Metal Hydride

### Skyworks

- Isolators
- PoE
- Power Management IC's

### Knowles

- High Voltage, Ceramic Capacitors, Pulse Multilayers Capacitors, EMI Filters

### Knowles Cornell Dubilier /CDE

- Aluminum Electrolytic, RF Mica
- Specialty Film, SuperCapacitors

### AEM Components

- SMD Fuses-Hi-Rel Fuses
- PPTC Fuses, TF SMD Chip Fuses

## EMBEDDED AND MODULES

### Ezurio

- Certified wireless modules, Wifi, BT/BLE
- SOMs, SBC and end-to-end IoT solutions for the most challenging industries
- LoRA Gateway

### PowerTip

- Graphic Displays
- Gray scale & Character Modules

### EDTC

- Displays with Capacitive Touch Smart Embedded - 4.3" up to 10.1"
- TFT, STN, Graphic & Characters

### Vantron

- Edge Computing Gateway
- SOM, SBC
- Industrial cellular router
- Complete display portfolio from 5" to 55"

### Topstar

- Optical modules up to 400Gbps
- SR, LR
- DWDM/CWDM
- AOC, Copper
- CFP2/4/8, OSFP, QSFP/QSFP-DD
- PON
- Compatible with major brands
